

We are interested in finding out about the activities that you participate in at home, school and in the community.

You will be asked about your current level of participation with activities as compared to others your age. For each item, choose one of the following responses:

- **Full participation**, you participate in the activities the same as or more than others your age.
[

<p>Compared to others your age, what is your current level of participation in the following activities?</p> <p><u>NEIGHBORHOOD AND COMMUNITY PARTICIPATION</u></p>	Full participation	Somewhat limited	Very limited	Unable	Not applicable
7) Social, play, or leisure activities with friends in the neighborhood and movie theater, park or restaurant)					
8) Structured events and activities in the neighborhood and community (e.g., team sports, clubs, holiday or religious events, concerts, parades and fairs)					
9) Moving around the neighborhood and community (e.g., public buildings, parks, restaurants, movies) [<i>Please consider your primary way of moving around, NOT</i>					

**THANK YOU FOR COMPLETING
THE CHILD AND ADOLESCENT SCALE OF PARTICIPATION!**
