Do you have an idea that could help patients or improve the way we do things?  
Do you need time or funding to make it happen?  
We have an opportunity for you!

<b>Award Amounts</b>	<b>Applications Due</b>
\$1,000 - \$50,000	March 1, 2024

The Catalyst Grant Program at Shirley Ryan AbilityLab accelerates innovation to improve the global use of science and technology. We seek innovative ideas that enhance patient care, for innovation, and advance our mission.

There are five Catalyst Grant categories —Project Grant, Quality Grant, Mentorship Grant, Translational and Foundational Grant. Please see the following information carefully and select the most appropriate category for your idea.

### SPECIAL PROJECT GRANT OPPORTUNITY

The 2024 Cycle will include a special funding priority for 1-2 Project Grants specific to the care and rehabilitation of individuals with Multiple Sclerosis. This is a special opportunity for individuals with ideas related to this population who are especially engaged in the field.

### Eligibility and Application Information

- Every application must include a researcher and non-researcher (clinician or non-clinician) individuals who will participate in the research project. Each person must have a role in the team. If you need assistance identifying a research partner, please contact Melisa Bidyk ([mbidy@slab.org](mailto:mbidy@slab.org)).
- Submit your application as a single PDF file at <https://compinfo.slab.org/apply/catalyst-grant-24> by March 1, 2024, 11:59pm CST.
